**Magali Katra is an American/Lebanese artist, born in Beirut.**

**Having grown up in a family of haute couture designers, Katra was immersed from a young age in the world of elegance, design, fabrics, and attention to detail.**

**Katra holds a Master's degree in Visual Arts from the Lebanese Academy of Fine Arts in Beirut and continued her studies at the National School of Fine Arts in Paris (Ecole nationale superieure des beaux art) and the Duperré Higher School of Applied Arts in Paris (Ecole Nationale Superieure Duperré).**

**She furthered her education with a Master's in Arts Management from the Higher School of Business in Beirut.**

**Katra has 25 years of production under her belt.**

**Her work has been featured in several galleries, locally and internationally, with representation in Paris, Geneva, Amsterdam, and the United States.**

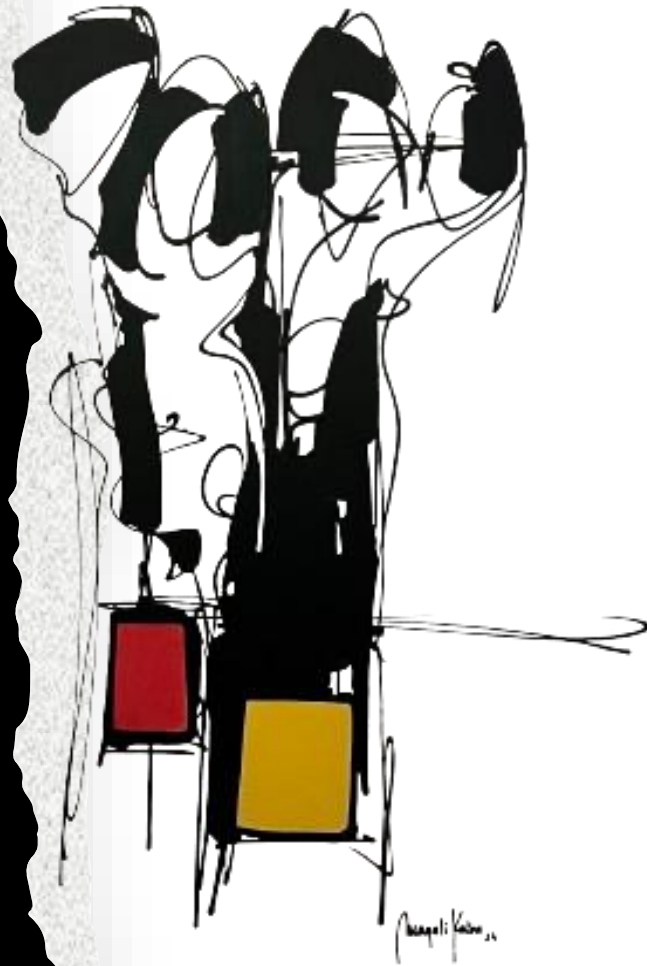

**She has numerous solo, and group shows to her credit in the Middle East, Europe, and the USA.**

**Katra is a curious soul, brimming with energy and above all, passion, not limiting herself to her painting domain. Her love for encounters regularly leads her to engage in collaborations for high-quality, sometimes extravagant artistic projects, always conveying her vibrant spirit and expanded sense of graphical rhythm.**

Katra possesses a painting style that is a true explosion of elegance and movement, a visual poetry overflowing with energy and vivacity, with a distinctive signature style.

Her work has charmed several collectors internationally from the very beginning.

In her pieces, the artist addresses the contemporary human emotions and relationships that drive us.

Each of her works highlights the various human identities and the authenticity that characterizes them. Through bold graphical lines and assertive poses, she depicts individuals with a fluid grace, creating compositions that captivate and engage the viewer.

Every component of her canvas holds a message correlated with the explored theme.

She works with inks and acrylics in a very spontaneous brushstroke without prior sketches. Along the significant layering of white and colors that she mixes. Focusing on graphical rhythm, interesting composition and fluidity.

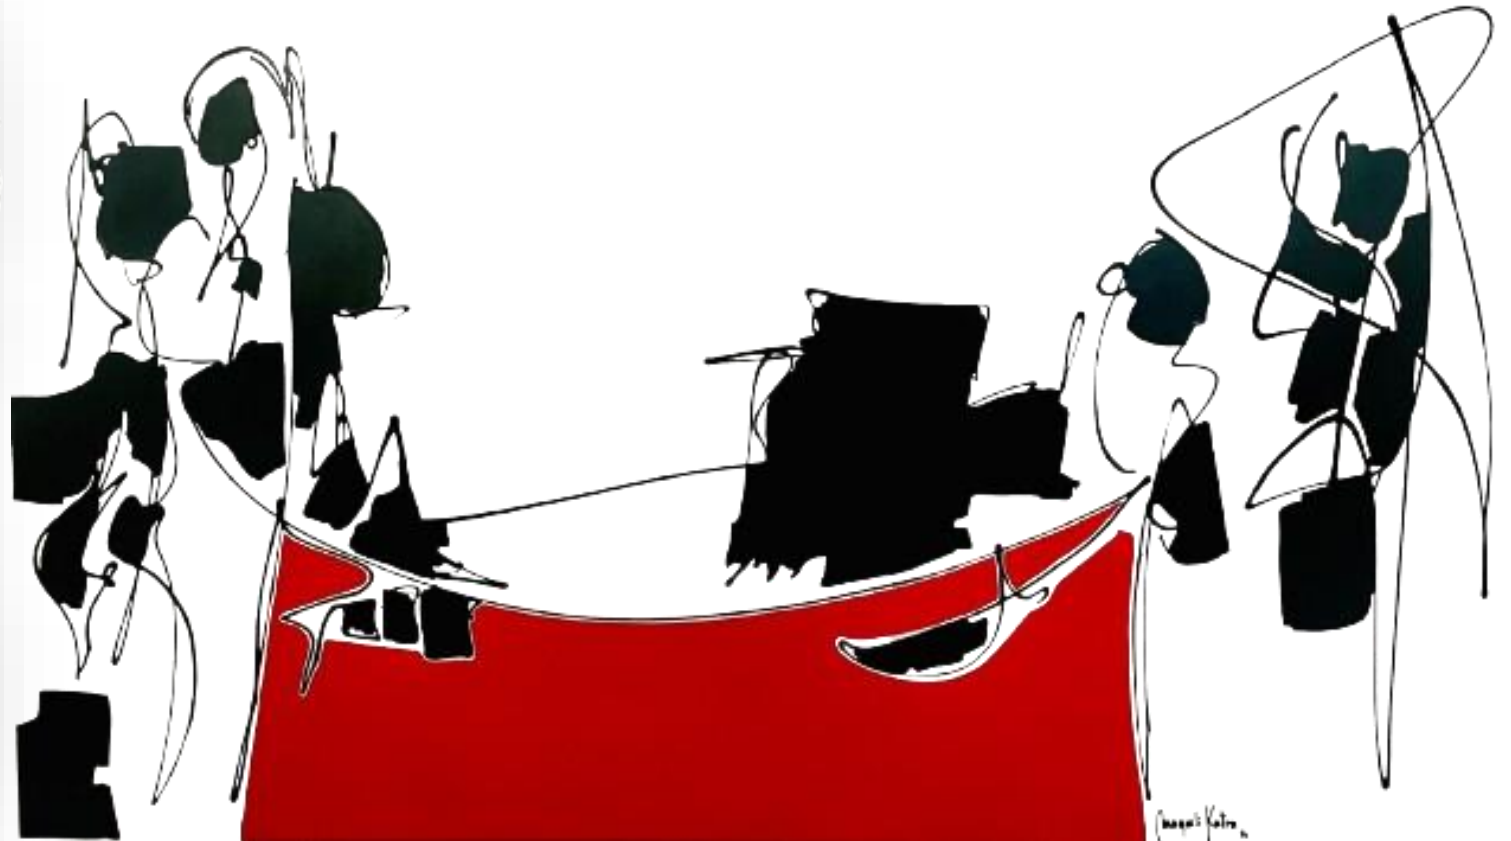

Katra's art is all about themes and concerns that people can relate to, and her interpretation, approach and signature is distinct with a suggested positivity and aesthetics. Katra insist on keeping her paintings vibrating with thorough graphical lines while remaining fluid.

Her Art translates her love for People, it starts and ends with them!

# Gallery Rep & Creative Projects

Katra's work has been showcased in many galleries locally and internationally, from Miami based Gallery to Paris, Beirut and Dubai.

She has contributed her art to several projects in Europe and USA, including street art, published book illustrations and fashion design, conveying the artist's vibrant spirit, vigorous energy and unique signature.

# FUTURE PROSPECT

Looking into the future, Magali Katra envisions a continued journey of artistic exploration and cultural exchange.

Inspired by her upbringing in a family of haute couture designers and fueled by her passion for visual arts, Katra sees herself pushing the boundaries of creativity and innovation.

Katra aims to expand her reach and impact on the global art scene.

Her vision extends beyond traditional boundaries as she continues to engage in collaborative projects that push the limits of artistic expression. Through these ventures, she seeks to delve deeper into the intricacies of human identity and authenticity.

In the future, Katra envisions her art evolving and maturing, while maintaining its distinctive vibrancy and fluidity.
